Petition To Grant Filing Date And To Refund Petition Fee

As set forth in MPEP §506.02, Applicant hereby petitions to grant the proper filing date of October 27, 2003 for the above-identified patent application. The following is enclosed as evidence of October 27, 2003 being the correct filing date under 37 CFR § 1.10:

1. A copy of the Cover Sheet for the Application showing the Express Mail Number and Certificate of Mailing under 37 CFR 1.10; and
2. A copy of the Express Mail Receipt marked by the United States Post Office as being mailed at 06:35:28 p.m. on October 27, 2003.

The Express Mail package contained a Petition for License for Foreign Filing (U.S. Patent Application Being Filed Concurrently) in addition to the application, drawings, Declaration, Assignment, Information Disclosure Statement and Request for Early Publication. A copy of our return postcard from the United States Patent Office shows that the entire contents of the Express Mail package was transferred to Licensing and Review.

Applicant also encloses a print-out of the search results from PAIR for application number 10/706,480. The File History indicates that the Request for Early Publication was entered on 10-27-03, and the application was scanned on 12-22-2003.

There is no error on the part of Applicant. Accordingly, Applicant respectfully requests the granting of October 27, 2003 as the filing date.
